| WARNER-LAMBERT COMPANY et   | al.   |   |  |
|   |   |   |  |
| This International Search Report has been                             | en prepared by this International Searching Aut   | nority and is transmitted to the applicant            |  |
| according to Article 18. A copy is being to                           | ransmitted to the International Bureau.   |   |  |
|   |   |   |  |
| This International Search Report consists                             |   |   |  |
| It is also accompanied by   | y a copy of each prior art document cited in this   | report.   |  |
| Basis of the report   |   |   |  |
| 11  | international search was carried out on the ba  | sis of the international application in the           |  |
| language in which it was filed, ur                                    | nless otherwise indicated under this item.  | ¥ ·   |  |
| the international search  | was carried out on the basis of a translation of t  | he international application furnished to this        |  |
| Authority (Rule 23.1(b)).   |   |   |  |
| b. With regard to any nucleotide a was carried out on the basis of ti | nd/or amino acid sequence disclosed in the in<br>ne sequence listing :  | nternational application, the international search    |  |
| <u> </u>  | ional application in written form.  |   |  |
| filed together with the int   | ernational application in computer readable for   | m.  |  |
| furnished subsequently t  | to this Authority in written form.  |   |  |
| furnished subsequently t  | to this Authority in computer readble form.   |   |  |
| the statement that the su   | absequently furnished written sequence listing on as filed has been furnished.  | does not go beyond the disclosure in the              |  |
| 1 1   |   | is identical to the written sequence listing has been |  |
| furnished   | ioniason rocordos in compator resultante  |   |  |
|   |   |   |  |
|   | und unsearchable (See Box I).   | · · · · · · · · · · · · · · · · · · ·                 |  |
| 3. Unity of invention is la   | cking (see Box II).   |   |  |
| l   |   |   |  |
| 4. With regard to the title,  | the sitted by the population  |   |  |
| j   | submitted by the applicant.   |   |  |
| the text has been estable   | ished by this Authority to read as follows:   | •   |  |
|   | •   | • •   |  |
|   | *   |   |  |
| 5. With regard to the abstract,                                       | * · · · · ·   |   |  |
|   | submitted by the applicant.   |   |  |
| the text has been estable   | ished, according to Rule 38.2(b), by this Author  | rity as it appears in Box III. The applicant may,     |  |
| within one month from the   | he date of mailing of this international search re  | port, submit comments to this Authority.              |  |
| 6. The figure of the drawings to be pu                                | blished with the abstract is Figure No.   |   |  |
| as suggested by the ap  | plicant.  | None of the figures.                                  |  |
| because the applicant fa  | ailed to suggest a figure.  |   |  |
| because this figure bette   | er characterizes the invention.   |   |  |
